RESPONSIBILITY OF THE STUDENT

It is the responsibility of the student to know and to observe the requirements of his/her curriculum and the rules governing academic work. Although the advisor will attempt to help the student make wise decisions, the ultimate responsibility for meeting the requirements rests with the student.

An Associate in Science in Liberal Arts & Sciences Degree requires satisfactory completion of a minimum of 60 semester hours of academic work with a cumulative grade-point average of not less than "C" (2.0). Candidates for this degree must present an organized program of study which meets the following core requirements. Authority for substitutions must be obtained from the Provost.

I. College Requirement: All first time degree-seeking students who score 75 or above on the ACCUPLACER reading exam are required to take HUDV0100: Freshman Orientation. All degree-seeking students who score below 75 on the ACCUPLACER reading exam will take HUDV 101: Strategies for Academic Excellence/Lifelong Learning. (See exemptions)
