COURSE NUMBER: HUDV0100
CREDIT HOURS: 1
INSTRUCTOR: Departmental Syllabus
OFFICE LOCATION: Departmental Syllabus
OFFICE HOURS: Departmental Syllabus
TELEPHONE: Departmental Syllabus
EMAIL: KCKCC issued emails accounts are the official means for electronically communicating with our students.

PREREQUISITES: Completed application to enroll at KCKCC.

REQUIRED TEXT AND MATERIALS: Please check with the KCKCC bookstore, http://www.kckccbookstore.com/, for the required texts for your particular class.

COURSE DESCRIPTION:

This course will include topics designed to acquaint the student with the campus community, classroom expectations, counseling services, testing, and other experiences incidental to a successful adjustment to college life. College Orientation is a required course for all first time freshmen college students. College Orientation is a freshman enrollment requirement for students who score above 75 in Reading and Sentence Skills on the Accuplacer. The student must complete the class with a passing grade.

METHOD OF INSTRUCTION:

A variety of instructional methods may be used depending on content area. These include but are not limited to: lecture, multimedia, cooperative/collaborative learning, labs and demonstrations,
projects and presentations, speeches, debates, panels, conferencing, performances, and learning experiences outside the classroom. Methodology will be selected to best meet student needs.

**Online Sections:** Online courses rely on the use of the Internet and a course management system for content delivery. Courses are accessible both on campus and from most remote sites. Specific information regarding computer skills and system requirements can be found at [http://helpdesk.kckcc.edu/helpdesk/](http://helpdesk.kckcc.edu/helpdesk/)

   E. Academic Resources
   F. Campus Police
   G. Student Handbook/Code of Conduct
   H. Women’s Resource Center
   I. Administrative Assistants
   J. College Catalog /
   K. Financial Aid
   L. Student Health

II. Module II Technology
   M. Library: on ground and online
   N. WebAdvisor
   O. Online class: access and management
   P. Digital college catalog

III. Module III E-Portfolio

**EXPECTED LEARNER OUTCOMES:**

Purpose Statement:
To facilitate KCKCC mission and purpose of providing a learning environment that encourages challenging, innovative, and varied programs, teaching methods, and delivery systems which enhance student intellectual development to the fullest extent possible, and that stresses the attitudes, behaviors, responsibilities, and skills required for effective learning.

A. The student will be able to understand the college’s purpose and mission.
B. The student will be able to access and understand their learning style and how it applies to each student service area.
C. The student will be able to demonstrate accessing online services and instruction.
D. The student will be able to demonstrate access and understand the E-Portfolio system
E. The student will be able to know the importance of diversity and multiculturalism as an essential component of general education.

COURSE COMPETENCIES:

The student will be able to understand the college’s purpose and mission.

1. The student will explain the college’s mission, goals, and services.
2. The student will be able to explain the degree options at KCKCC.

The student will be able to access and understand their learning style and how it applies to each student service area.

3. The student will be able to locate various campus offices, including admissions, financial aid, learning resource center, library, counseling, campus police, bookstore, student activities, etc.
4. The student will be able to interpret academic policies on grading, withdrawal, forgiveness, renewal, probation, the code of student conduct, and student’s rights.
5. The student will be able to explain their learning style.

The student will be able to demonstrate accessing online services and instruction

6. The student will be able to access and investigate appropriate transfer information.

The student will be able to demonstrate access and understand the E-Portfolio system and college publications.

7. The student will be able to identify and use campus publications, including the Digital Catalog, the Advocate, the Student Handbook, and the class schedule.
8. The student will be able to use Web Advisor and the online Library.

The student will be able to know the importance of diversity and multiculturalism as an essential component of general education.

9. The student will be able to identify and explain the components of multiculturalism.

ASSESSMENT OF LEARNER OUTCOMES:
Student progress is evaluated by means that include, but are not limited to, exams, written assignments, and class participation.

Students are expected to attend all lectures in their entirety. Students should notify the instructor in advance if attendance is not possible and arrange for any makeup work if indicated. The instructor is not responsible to provide information covered in class.
All assignments are to be read and/or completed for the class sessions in which they appear on the schedule. Students will be responsible for reading the assignments and attending classes in order to prepare to participate in discussions, successful completion of quizzes and exams, completion of class activities and projects.

The written examinations may contain multiple choice, true or false, matching, fill in the blanks, or short answer questions. They will be based on lectures, handouts and other information given in class.

Grading Scale:

<table>
<thead>
<tr>
<th>Score Range</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>90 to 100</td>
<td>A</td>
</tr>
<tr>
<td>80 to 90</td>
<td>B</td>
</tr>
<tr>
<td>70 to 80</td>
<td>C</td>
</tr>
<tr>
<td>60 to 70</td>
<td>D</td>
</tr>
<tr>
<td>Below 60</td>
<td>F</td>
</tr>
</tbody>
</table>

If a student misses two consecutive classes and does not contact the instructor, they are subject to an administrative withdrawal from the class. If a student misses a class, they must contact the instructor the day of the class.

**SPECIAL NOTES:**
Material included is intended to provide an outline of the course and rules that the instructor will adhere to in evaluating the student’s progress. However, this syllabus is not intended to be a legal contract. Questions regarding the syllabus are welcome any time.

Kansas City Kansas Community College is committed to an appreciation of diversity with respect for the differences among the diverse groups comprising our students, faculty, and staff that is free of bigotry and discrimination. Kansas City Kansas Community College is committed to providing a multicultural education and environment that reflects and respects diversity and that seeks to increase understanding.

21st Century General Education Learning Outcomes

Learning Outcomes

Discipline knowledge and content mastery is expected of all graduates. More specifically, KCKCC is committed to the Learning Outcomes listed below. We believe that competence in the Learning Outcomes is essential for the success of graduates and will enhance their ability to become contributing members of our increasingly complex world. These areas of knowledge and skills are equally valid for all KCKCC graduates, whether they transfer to a four-year college or pursue a career after leaving college.

General Education Learning Outcomes

Communication Learning Outcomes

The learner will have the ability to express, interpret, and modify ideas/information effectively (both written and oral), including but not limited to reading text accurately and correctly; writing with a clear purpose and effective organization; speaking effectively using appropriate styles that suit the message, purpose, and content; and employing active listening techniques.

Computation Learning Outcomes

The learner will have the ability to understand and apply mathematical concepts and reasoning using numerical data.

Critical Reasoning Learning Outcomes

The learner will understand inductive and deductive reasoning and have the ability to define problems and use data (qualitative and quantitative) to make complex decisions utilizing analysis, synthesis, and evaluation skills.

Technology and Information Management Learning Outcomes

The learner will have the ability to define, collect, organize, analyze, and evaluate information from a variety of sources. The learner will also have the ability to understand basic technology concepts and functionality in order to use technology as a tool to locate and retrieve information.

Community and Civil Responsibility Learning Outcomes

The learner will demonstrate knowledge, awareness, and understanding of diverse ideas, values, and perspectives of a culturally diverse world; an understanding of the ethical issues and values that are prerequisites for making sound judgments and decisions; a recognition of the obligation to become actively involved as a contributing member of the community; and a sensitivity to the awareness of aesthetic expression.

Personal and Interpersonal Skills Learning Outcomes

The learner will have the ability to work cooperatively and productively with others; to understand and evaluate his/her capabilities; to manage his/her personal growth by setting realistic and appropriate goals.
Know your teacher’s name.

Turn off your electronic devices in class/make paying attention to the work of the class your only concern.

Miss class only when you cannot attend/acquire missed information and materials ASAP.

Know your syllabus.

Know the attendance policy.

Know the requirements for tests and assignments.

Know information about final exam and make-up exams.

Know instructor’s position on use of Wikipedia or other online sources.

Know the instructor’s preferred writing style (APA, MLA, etc.).

Always know your grade.

Contact your teacher ASAP with concerns or questions.

Know the benefits of the academic resource center.

Know if your course has a practicum, service learning component, or other exception.

Use an academic planner.

Know the course withdrawal policy.

Know your instructor’s office hours and make appointments when necessary.

Know the school’s scholastic honesty policy.

Be familiar with the course learning objectives, course competencies, and the college’s 21st century learning outcomes for general education.
