Transfer Guide

Kansas City Kansas Community College and KU Visual Communication

Students who take the courses outlined below, maintain a 3.0+ GPA, and achieve a C+ or higher in all studio courses will be eligible to be admitted into Visual Communication program at KU beginning at the sophomore level.

In addition to completing the necessary courses, students must submit a portfolio of their design work and apply for admission by February 1 for the fall semester. More information can be found on the KU School of Architecture & Design website.
