Introduction

Thank you for spending time reviewing the 2026 Annual Security and Fire Safety Report. This report covers the 2025 calendar year, beginning January 1, 2025, and ending December 31, 2025. The Kansas City Kansas Community College published this report in compliance with the "Jeanne Clery Campus Safety Act", also known as the "Clery Act". This report includes statistics for the previous three years concerning reported crimes that occurred on or in all property and buildings owned or controlled by Kansas City Kansas Community College (referred herein as "college property"); and on public property within, or immediately adjacent to and accessible from the college.

The Kansas City Kansas Community College Police Department works diligently with other local departments and agencies to compile the necessary information for this report. The Kansas City Kansas Police Department, the Wyandotte County Sheriff's Office, Kansas Highway Patrol, the Leavenworth County Sheriff's Office, and agencies across the country, where our students have traveled while representing our college, have assisted by providing important information for this report. I encourage all community members to take a few minutes and review this report. If you have any questions, please feel free to contact me at 913-288-7636 or via email at croland@kckcc.edu.

Sincerely,

Cam Roland

Annual Security Report

Kansas City Kansas Community College
2026

College Law Enforcement

The Kansas City Kansas Community College (KCKCC) Police Department provides comprehensive law enforcement services to the college community, 24 hours a day, seven days a week, 365 days a year. The department is located in the Science Building (Room 3452) at the main campus, 7250 State Avenue, and provides protection and service to the KCKCC community by foot, bicycle, and vehicular patrol. The KCKCC Police Department has an authorized personnel allocation of a chief, deputy chief, six sergeants, fourteen full-time patrol officers, two part-time officers, two dispatchers, three security guards, and an administrative assistant. The police department is charged with the responsibility of making sure federal, state, and local laws, as well as KCKCC policies and procedures, are obeyed and enforced.

Jurisdiction & Authority to Arrest

Pursuant to Kansas law (K.S.A. 72-6146 and K.S.A. 22-2401a), KCKCC Police Officers are state-certified law enforcement officers, empowered to enforce all state and local laws and with the authority to make arrests:

- On property owned, occupied, or operated by the college or at the site of a function sponsored by the college.
- On the streets, property, and highways immediately adjacent to and contiguous with the property; and
- Within the city or county where property is located, as necessary to protect the health, safety and welfare of students and faculty of the college, with appropriate agreement by local law enforcement agencies.

Working Relationships with Outside Agencies

The KCKCC Police Department maintains a strong working relationship and works closely with local, state and federal law enforcement agencies. KCKCC locations fall within the jurisdictions of the Kansas City Kansas Police Department, Wyandotte County Sheriff's Office, Leavenworth Police Department, and the Leavenworth County Sheriff's Office. These agencies respond to requests for assistance from the KCKCC Police Department and provides assistance in investigations exceeding the capabilities of the KCKCC Police Department.

As a testament to KCKCC Police Department's working relationship with outside agencies, between late 2025 and early 2026, all KCKCC Police Officers were invited to join the Kansas City Kansas Police Department's annual 40 hours refresher training. This training not only provided the KCKCC Police Department with professional and in-depth training, it also

served to strengthen the bonds between KCKCC officers and one our closest working partners.

Agreements with Outside Agencies

Currently there are no Memoranda of Understandings (MOUs) in place with outside law enforcement agencies.

Additional Servies

KCKCC Police Officers are available 24 hours a day to provide escort services to and from any location owned by KCKCC. To request an escort, individuals can contact the KCKCC Police Department at 913-288-7636.

KCKCC has several Code Blue emergency phones on college properties. These two-way call boxes are located strategically around college properties. They allow an individual in need of assistance to speak directly with the KCKCC Police Department.

Reporting Procedures

Accurate and Prompt Reporting

All faculty, staff, students, and visitors are encouraged to report all crimes and public safety related incidents to the KCKCC Police Department in a timely manner. By promptly reporting crimes, it will ensure inclusion in the annual crime statistics and will aid in providing timely warning notices to the community, when appropriate.

Reporting of Criminal Offenses

KCKCC encourages all reports of criminal activity to be reported to the KCKCC Police Department, but they may also be reported to the following preferred “Campus Security Authorities” (CSAs):

- Any KCKCC Police Officer or Police Department Employee - 913-288-7636
- Vice President of Academic Affairs
- Vice President of Enrollment Management and Student Services
- Vice President of Finance and Operations
- Chief Human Resource Officer
- Dean of Academic Support Assessment
- Dean of Arts, Humanities and Social Sciences
- Dean of Health Professions and Public Safety
- Dean of Math, Science, Business, and Technology
- Dean of Career and Technical Education
- Dean of Student Services

- Director of Student Housing
- Athletic Director
- All Athletic Coaches / Athletic Trainer
- Title IX Coordinator
- College Nurse
- Director of Community Education, Health, and Wellness Center
- Director of Pioneer Career Center

Response to Reports

Officers will respond to all reports of criminal activity or emergency situations. Response time may be affected by various factors, such as the number and location of available personnel and/or their involvement at the time a report is received. Response to an incident may also involve other personnel (i.e., Student Services in an incident of violence, members from the Counseling Center in the case of a sexual assault, and/or an outside police agency or other agencies if an incident requires specialized abilities beyond the capabilities of the KCKCC Police Department).

If an individual is unsure what they have witnessed or experienced a crime, they are encouraged to contact the KCKCC Police Department. KCKCC Police Officers are available 24 hours a day to answer calls. In response to a call, the KCKCC Police Department will take the required action, either dispatching an officer to the location, asking the individual to come to our office, or assist them in contacting another agency such as the Kansas City Kansas Police Department.

Voluntary Confidential Reporting

The KCKCC Police Department cannot guarantee that individuals will remain anonymous when filing a report. Students may consult with Police personnel to determine their options when filing reports of sexual assault. Officers can help to explain these options to the students so they have the information available to them as they determine how they will move forward. If an individual is the victim of a sex crime and they do not want to pursue action within the college system or the criminal justice system, they may still want to consider making a confidential report.

The Title IX Coordinator can file a report on the details of an incident without revealing an individual's identity. The purpose of a confidential report is to comply with an individual's wish to keep the matter confidential, while taking steps to ensure the future safety of themselves and others. With such information, KCKCC can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime regarding a particular location, method, or assailant, and alert the college community to

potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Confidential reporting can be accomplished through the Counseling & Advocacy Office. To make a confidential report, individuals are asked to contact:

Jennifer Gieschen, Coordinator of Counseling
Room 3371 Jewell Building
913.288.7193
gieschen@kckcc.edu

Nicole Graves, Campus Counselor
Room 3371 Jewell Building
913.288.7439
ngraves@kckcc.edu

The Counseling & Advocacy Office can also provide assistance with:

- Weighing options and associated risks
- Discussing possible next steps
- Obtaining information about available resources and services

Professional and Pastoral Counselors

Professional and pastoral counselors are the only parties exempt from disclosing reported offenses required by the Clery Act.

Professional counselors are "a person whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of the counselor's license or certification." To be exempt from reporting requirements, the counselor must be acting within their role as a counselor and must meet state licensing requirements.

Professional counselors are encouraged to seek permission from persons they are counseling to notify the Clery Compliance Officer or a KCKCC Police Department official of the incident on a confidential basis in order to determine if a timely warning or emergency notification is necessary to protect the college community.

KCKCC does not have pastoral counselors.

Timely Warning Procedures

Timely Warnings

A timely warning notice will be distributed when there is a Clery-reportable crime that may pose an ongoing or serious threat to members of the KCKCC community and it is within the KCKCC Clery Geography ("On-Campus", "Public Property", and "non-Campus" property). These warnings will be distributed if the incident is reported either to the KCKCC Police Department directly or to the KCKCC Police Department indirectly through a CSA or a local police department.

In an effort to provide timely notice to the KCKCC community, and in the event of a crime which may pose a serious on-going threat to the KCKCC community, timely warnings may be issued for the following incidents:

- Murder/Non-Negligent Manslaughter.
- Aggravated Assault (cases involving assaults among known parties, such as two roommates fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to determine if the individual is believed to be an on-going threat to the larger KCKCC community).
- Robbery involving force or violence (cases including pick pocketing and purse snatching will typically not result in the issuance of a Timely Warning but will be assessed on a case-by-case basis).
- Sexual Assault
- Burglary
- Motor vehicle theft
- Arson
- Domestic Violence (if evidence determines an ongoing and larger threat to the college community)
- Stalking
- Hazing
- Hate crimes

These notifications will be provided to students and employees in a manner that is timely, withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences.

KCKCC may not issue Timely Warnings for the above listed crimes if:

- It is determined the incident does not present a serious or continuing threat to students or employees, such as a suspect being apprehended or otherwise contained
- The circumstances creating the danger have been resolved
- The incident does not constitute a Clery-reportable crime
- The report crime occurred outside Clery geography
- The incident was reported long after it occurred

For incidents that do not meet the requirements for "Timely Warnings", "Emergency Notifications" may still be issued in an effort to protect and inform the college community. See "*Notifications for Emergency or Dangerous Situations*" section for more information.

Individuals and/or Offices Responsible for Timely Warning Development and Issuance

The KCKCC Police Department works to collect this information by requesting all CSAs and local law enforcement agencies to report the above-mentioned crimes in a timely fashion so a warning can be issued. The alerts are generally written by one or more of the following: Chief of Police, KCKCC President, Marketing and Institutional Image, or the previously mentioned individual's designees. These individuals make up the "Timely Warning Team". Any one or more of the individuals listed above will review and revise the notification as needed then transmit the message containing the timely warning to the college community as an email, text, or through the PA system. Updates to the KCKCC community about any particular case resulting in a timely warning may be distributed electronically via email or on the college main website, www.kckcc.edu.

All students, staff, and faculty members are automatically signed up for emergency messaging. All KCKCC email addresses are locked into the system and cannot be opted out of receiving emergency messages. All supplied cell phone numbers are also automatically signed up to receive emergency text messages. Individuals have the ability to opt out of receiving emergency messages received by cell phone. To opt out, simply reply "stop" to a received message from the system.

It should be noted that an institution is not required to provide a timely warning with respect to crimes reported to a pastoral or professional counselor.

Emergency Response and Evacuations

The college's Emergency Preparedness and Response Plan includes information about management of emergency response and operations and communication responsibilities. College departments are responsible for developing contingency plans and continuity of

operations plans for their staff and areas of responsibility. The college conducts emergency response drills and/or exercises each year, such as tabletop exercises, functional exercises, tornado drills, fire drills, and tests of the emergency notification systems. These tests are designed to assess and evaluate the emergency plans and capabilities of the college.

KCKCC police supervisors and administrators have received training in incident command and responding to critical incidents. When a serious incident occurs that causes an immediate threat to the college, the first responders to the scene are usually KCKCC police officers. Local law enforcement agencies and/or local fire and EMS agencies may also respond when their assistance is necessary. These agencies typically respond and work together to manage the incident.

Depending on the nature of the incident, other college departments and other local or federal agencies could also be involved in responding to the incident.

Evacuation Procedures

KCKCC has general evacuation guidelines in the event a building or section of one of the college's locations needs to be evacuated. The plan would be affected by a myriad of factors, including the type of threat, the occupancy of the other buildings and areas of the college at the time of the incident, etc. Specific information about multi-building or area evacuations cannot be shared with the college community in advance due to the above-mentioned factors that may impact evacuation procedures.

KCKCC expects members of the community to follow the instructions of first responders on the scene, as this type of evacuation would be coordinated on-site. In some emergencies, individuals may be instructed to "shelter-in-place." If an incident occurs and the buildings or surrounding areas become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose individuals to that danger. Thus, to "shelter-in-place" means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside. This means that if an incident occurs and the building being occupied is not damaged; individuals should stay inside in an interior room until they are told it is safe to come out.

If the building is damaged, individuals should take their personal belongings (purse, wallet, access cards, etc.) and follow the evacuation procedures for that particular building (close the door, proceed to the nearest exit, and use the stairs instead of the elevators). After evacuating from the building, seek shelter at the nearest college building quickly. If police or fire department personnel are on the scene, follow their directions.

Notifications for Emergency or Dangerous Situations

KCKCC will immediately notify the college community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on college property.

The KCKCC Police Department will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (KCKCC Police Department, local law enforcement agencies, local Fire & EMS agencies, etc.), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The same emergency notification system used for distributing "Timely Warnings" is utilized for emergency notifications. See "*Individuals and/or Offices Responsible for Timely Warning Development and Issuance*" section for more information.

Confirmation of Emergency or Dangerous Situations

Community members are encouraged to notify the KCKCC Police Department of any situation or incident on college property that involves a significant emergency or dangerous situation that may involve an immediate threat to the health and safety of the KCKCC community on college property. The KCKCC Police Department has the responsibility of responding to and summoning the necessary resources to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, the KCKCC Police Department has a responsibility to respond to such incidents to determine if the situation does in fact pose a threat to the KCKCC community. Other departments such as Facility Services, Student Health, etc. may be involved in the confirmation process, depending on the nature of the potential threat. If so, Federal Law requires that the institution notify the college community or the appropriate segments (based on anticipated areas impacted by the emergency or dangerous situation) of the community.

If the KCKCC Police Department or other college officials confirm there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of our community, one or more members of the Timely Warning Team will collaborate to determine:

- Content of the message
- Determine the appropriate segments of the community that will be impacted
- Initiate some or all the proper notification systems (Text/Email/PA System) to notify the community.

- Updates to the KCKCC community about any situation resulting in a timely warning may be distributed electronically via email and on the college website.

It should be noted that unlike the Timely Warning requirement, an Emergency Notification isn't restricted just to Clery reportable crimes. Incidents such as a serious gas leak, hazmat spill, etc., could warrant the use of this protocol.

Timely Warning Team members will utilize local media outlets to notify the surrounding community of emergency situations when necessary.

Emergency Testing Procedures

KCKCC will annually test their emergency response and evacuation procedures. At a minimum one tornado and one fire drill will be conducted per year. These tests may be announced or unannounced. An After-Action Report will be completed following any drill or exercise and it will provide a description of the drill/exercise, the date of the drill/exercise, the time of the drill/exercise, and whether the drill/exercise was announced or unannounced.

KCKCC community members are encouraged to review the emergency response/evacuation procedures.

Security and Access

During KCKCC's normal operating hours, KCKCC is generally open to employees, students, visitors, contractors, and guests. Outside normal operating hours, keys, key cards, or police escorts are required to access KCKCC buildings. The main campus at 7250 State Avenue is monitored by the KCKCC Police Department 24 hours a day. The Technical Education Center at 6565 State Avenue and the Pioneer Career Center at 1901 Spruce Street locations are staffed with a KCKCC Police Officer or security guard during normal hours of operation, as staffing permits, or patrolled regularly. Other locations may be patrolled by local law enforcement in that jurisdiction, and/or the KCKCC Police Department may have a periodic presence at those locations, especially in response to a specific report. Any person requesting a police escort on or off college property should contact the KCKCC Police Department.

Physical keys for all KCCC locations are issued by the Facilities Department while key card access is controlled by Information Technology Department. The KCKCC Police Department works with Facilities and Information Technology on a continuous basis to evaluate and adjust access requirements to different parts of the KCKCC campus.

The KCKCC Police Department works to ensure that exterior doors are secure and that any door security/maintenance issues are responded to promptly. Door and building checks

are regularly conducted as part of an officer's patrol duties to help maintain a safe and secure campus.

Digital security cameras are placed at strategic locations around the college, in most facilities, and some parking areas. Specific buildings have cameras focused on areas of higher risk such as facility entrances, elevators, and secure areas. Cameras are not continuously monitored but are checked routinely through visual confirmation to ensure components are working via the central monitoring station.

KCKCC offers student housing in Centennial Hall on the main campus at 7250 State Avenue. KCKCC issues key cards to residents. Centennial Hall, the student housing building, is secure and requires a key card for access. Each individual suite area requires a key card for access and each individual bedroom within the suite also requires a key card for access. Key cards to the suites and individual bedrooms are issued by the Director of Student Housing.

Maintenance of College Facilities

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. The KCKCC Police Department regularly patrols college properties and reports malfunctioning lights and other unsafe physical conditions to Facility Services for correction. Other members of the KCKCC community may also report unsafe conditions and/or equipment problems.

General Prevention and Awareness Programs

Crime Prevention

The KCKCC Police Department is involved in a broad spectrum of crime awareness and prevention programs. Literature and brochures are provided on a continual basis throughout college properties covering a variety of crime prevention topics. Upon occasion, the KCKCC Police Department will sponsor or co-sponsor seminars or programs on crime awareness and prevention.

The KCKCC Police Department conducts College Safety Training monthly for all new hires at employee orientation. Safety training for incoming students is also conducted in student housing. College Safety Training covers topics pertaining to the KCKCC Police Department, college safety, escorts, and CRASE - Citizen Response to Active Shooter Events training. KCKCC Police offer multiple CRASE and general safety trainings at all campuses throughout the Fall and Spring semesters. KCKCC Police also have several classes that request active shooter response training in their classroom.

The CRASE program provides instruction and guidance to faculty, staff, students, and the KCKCC community regarding crime prevention. The CRASE program is designed to give a person, or group of people, who may find themselves in a violent, life-threatening situation some mental and physical tools that could play a vital role in their survival. The program is designed so

that anybody can employ these strategies. It does not matter. One does not have to be law enforcement or military trained to survive a violent encounter. They do need to have a frame of reference from which to draw when making life saving decisions under extreme pressure, much like preparing for a fire, tornado, or earthquake.

Safety Tips Provided by the KCKCC Police Department

Stay Alert

Your safety depends on your awareness of your surroundings. Use common sense and do not place yourself in a location or situation to become a victim of crime.

See Something Say Something

Report all suspicious activity as soon as possible to the KCKCC Police Department.

Avoid Walking Alone at Night

Walk in groups and if you must travel alone at night, stay on well-lit paths and sidewalks.

Keep Your Doors Locked

Unsecured property is inviting to would be criminals. Locking your door is an effective way to reduce theft and enhance personal safety. Do not prop open exterior doors and close any doors you find propped open. Propped doors are a high risk and greatly increase chances of victimization. Secure your safety.

Report on Security Related Problems

Locks, doors, windows, exterior lights in need of replacement, or other unsafe conditions should be reported immediately to the KCKCC Police Department at 913-288-7636. Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. The KCKCC Police Department routinely checks for malfunctioning lights and other unsafe physical conditions.

Park in Well-lit Areas and Keep Vehicles Locked

Keep unattended vehicles locked at all times. Lock all valuables in your trunk or out of sight.

Protect Your Laptop and Phone

Always keep your laptop and phone secured, whether in your room or in study areas, as they are high value, high targeted items for theft. Don't leave your phone on a charging station and walk away leaving it unattended. KCKCC does not cover property loss or damage due to unforeseeable incidents that may occur.

Missing Students

Students residing in “On-Campus” housing may register a confidential contact by completing and confirming their emergency contact form. The registration is optional, and the contact’s name

will only be accessed and contacted if a student is officially determined to be missing. Contact information will be registered confidentially, and the information will be accessible only to authorized college officials and law enforcement. The information will not be disclosed outside of a missing person’s investigation.

If members of the KCKCC community believe that a student has been missing, it is critical that they report that information to the KCKCC Police Department by calling 913-288-7636. A student is determined to be missing when the KCKCC Police Department has verified that reported information is credible and circumstances warrant declaring the person missing. If the KCKCC Police Department determines the student has been missing, the KCKCC Police Department will contact the individual designated by the student, the custodial parent or legal guardian if the student is under 18 and not emancipated, or the appropriate law enforcement agency if these do not apply. The KCKCC Police Department will notify the student’s contact person no later than 24 hours after making a determination that the student is missing.

For all missing students, the KCKCC Police Department will notify the local law enforcement agency within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

The KCKCC Police Department will notify the local law enforcement agency that the student is missing within 24 hours regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor.

Hazing

Hazing Statement

Hazing is prohibited by Kansas state law, Federal law and College Code of Conduct. KCKCC's hazing prevention and education is grounded in the college's mission to create a more inclusive, sustainable, and hopeful community. Anchored in KCKCC's mission and values is our commitment to uphold the dignity of every person through socially responsible practices and ethical conduct. Hazing rituals, ceremonies, initiations, behaviors and rites of assimilation exploit the inherent human need to belong to a community. Hazing practices, in addition to harming individuals, diminish the integrity of the college community we strive to cultivate.

As a part of the Kansas City Kansas Community College core values, "we affirm the dignity of every person and strive to create a culture of respect and inclusivity. This conviction grounds our efforts to ensure that all members of our community are able to thrive in every dimension of their lives." As such, individuals or groups of individuals may not engage in any hazing activities whether on or off campus and whether planned or spontaneous.

Hazing Policies

Reporting Hazing Incidents

KCKCC strongly encourages all members of the college community to report information about any incident of hazing as soon as possible, whether the incident occurred on or off campus, to the KCKCC Police Department, Title IX Office, or the Division of Student Affairs, and/or the appropriate local law enforcement agency. Anonymous reports may also be submitted.

In addition, those individuals who have been informed by the KCKCC Police that they are CSAs under the Jeanne Clery Campus Safety Act ("Clery Act") are legally required to report such incidents to the KCKCC Police Department.

Any current student, faculty, administrator, or staff member of the KCKCC or non-KCKCC affiliates/ community members may file a complaint against any community member alleging a violation of campus policies regarding hazing.

To ensure the safety and well-being of our community, incidents can be reported through multiple channels:

- **The KCKCC Police Department**
  Room 3462
  913-288-7636
- **The Office of Student Affairs**
  sderritt@kckcc.edu
- **The Title IX Office**
  kporter@kckcc.edu
- **Any KCKCC official, faculty, or staff member, many of whom are CSAs under Clery Act**

KCKCC is committed to protect individuals who report hazing from retaliation, and all reports will be taken seriously, investigated thoroughly, and treated with confidentiality where possible.

Investigation Process

When a report of hazing is made, KCKCC will initiate an investigation to assess the situation, gather relevant information, and determine whether any violations of the hazing Code of Conduct have occurred. The investigation will typically involve the following steps:

1) Receipt of Report: A hazing report will be documented and assigned to the appropriate investigator.
2) Preliminary Review: A KCKCC representative, often from the Division of Student Affairs or the KCKCC Police Department, will conduct an initial review of the claim.
3) Investigation: A formal investigation will be conducted, gathering statements from witnesses, individuals involved, and any other relevant information.
4) Outcome Determination: Based on the findings, the case will be referred to the Dean of Student Affairs for resolution, or Human Resources for staff/faculty.

Adjudication of Hazing Cases

Cases of hazing pertaining to students will be adjudicated by the Dean of Student Services or a designated body, such as a Hearing Board, depending on the severity of the incident.

Cases of hazing pertaining to staff or faculty will be managed by Human Resources. KCKCC will ensure that these proceedings are fair, impartial, and conducted in alignment with KCKCC's campus policies.

Student members found responsible for hazing will face disciplinary actions, which may include suspension, expulsion, or other sanctions as determined by the hearing body.

Examples of Hazing or Examples of Unacceptable Behavior

The following is a list of examples from each of the three categories. The list is not all inclusive, but it provides common examples of hazing that are prohibited by KCKCC Code of Conduct.

Subtle Hazing

Activities or behaviors that emphasize a power imbalance between new members and other members of the group, team, or organization. "Subtle hazing" refers to types of hazing that are often not recognized as harmful behaviors but happen far more frequently. Subtle hazing typically involves activities or attitudes that breach reasonable standards of mutual respect and place new members on the receiving end of ridicule, embarrassment, and/or humiliation tactics. New members often feel the need to endure subtle hazing to feel like part of the group or team. (Some types of subtle hazing may also be considered harassment hazing).

Some examples include:

- Deception (such as lies, tricks, or dishonesty)
- Assigning demerits
- Demeaning names
- Socially isolating new members
- Silence periods with implied threats for violation
- Line-ups, drills, or tests on meaningless information
- Expecting certain items to always be in one's possession
- Silence periods with implied threats for violation
- Deprivation of privileges granted to other members
- Socially isolating new members
- Name calling
- Requiring new members to perform duties not assigned to other members

Harm to Well-Being (Harassment Hazing)

Behaviors that cause emotional anguish or physical discomfort in order to feel like part of the group. Harassment hazing confuses, frustrates, and causes undue stress for new

members/rookies. (Some types of harassment hazing can also be considered violent hazing).

Some examples include:

- Verbal abuse
- Threats or implied threats
- Asking new members to wear embarrassing or humiliating attire
- Stunt or skit nights with degrading, crude, or humiliating acts
- Expecting new members/rookies to perform personal service to other members such as carrying books, errands, cooking, cleaning etc.
- Sleep deprivation
- Sexual simulations
- Expecting new members/rookies to be deprived of maintaining a normal schedule of bodily cleanliness
- Be expected to harass others

Violent Hazing

Behaviors that have the potential to cause physical and/or emotional, or psychological harm.

Some examples include:

- Forced or coerced alcohol or other drug consumption
- Beating, paddling, or other forms of assault
- Branding
- Forced or coerced ingestion of vile substances or concoctions
- Burning
- Water intoxication
- Expecting abuse or mistreatment of animals
- Public nudity
- Expecting illegal activity
- Bondage
- Abductions/kidnaps
- Exposure to cold weather or extreme heat without appropriate protection

Examples of Unacceptable Behaviors

The following is a non-exhaustive list of examples of unacceptable behavior and forms of hazing, even where the conduct may not necessarily constitute a violation of the Kansas law:

- Any form of physically demanding activity (calisthenics, runs, etc.) not part of an organized voluntary athletic contest or not specifically directed toward constructive work.
- Paddling, shoving, or otherwise striking individuals.
- Compelling individuals to wear, carry, or publicly display any article or apparel that is uncomfortable, degrading or physically burdensome.
- Depriving an individual of the opportunity for sufficient sleep (six hours continuous sleep per day minimum), decent edible meals, or access to means of maintaining bodily cleanliness.
- Activities that interfere with an individual's academic efforts by causing exhaustion, loss of sleep, or loss of reasonable study time, or by preventing an individual from attending class.
- Compelling an individual to consume alcohol or drugs.
- Compelling an individual to eat or drink foreign or unusual substances or compelling the consumption of undue amounts or odd preparations of food.
- Having substances thrown at, poured on, or otherwise applied to the bodies of individuals
- Morally degrading or humiliating games or any other activities that make an individual the object of amusement, ridicule, or intimidation.
- Compelling participation in illegal activities.

Applicable Laws Related to Hazing

KCKCC is committed to upholding the law and ensuring the safety of its students. In addition to internal policies, the following laws apply to hazing incidents within KCKCC Police Department's jurisdiction:

Kansas State Law: K.S.A. 21-5418, defines hazing as the act of recklessly coercing, demanding, or encouraging another person to perform an act that could result in serious physical harm or death, as a condition of joining or remaining in a social or fraternal organization.

Stop Campus Hazing Act: Under H.R. 5646 (https://www.congress.gov/bill/118th-congress/house-bill/5646), it is required that each Institution of Higher Education discloses hazing incidents that were reported to campus security authorities or local police agencies

in its annual security report. The act defines the term hazing to mean any intentional, knowing, or reckless act committed by a person (whether individually or in concert with other persons) against another person or persons regardless of the willingness of such other person or persons to participate, that (1) is committed in the course of an initiation into, an affiliation with, or the maintenance of membership in, a student organization (e.g., a club, athletic team, fraternity, or sorority); and (2) causes or creates a risk, above the reasonable risk encountered in the course of participation in the IHE or the organization, of physical or psychological injury.

Hazing Prevention and Awareness Programs

KCKCC is committed to providing research-informed, campus-wide prevention programs that reach students, staff, and faculty. These programs are designed to promote awareness and prevention of hazing before it occurs and to help community members identify and intervene in situations that may lead to hazing.

- Primary Prevention Strategies: Our prevention programs will include:
  - Initial education via asynchronous methods.
  - In-person education is inclusive of bystander intervention training, ethical leadership education, and building group cohesion without hazing.
  - Social norming campaign.
- Responsibility for Prevention: Various college departments, including college Athletics and Student Activities, will be responsible for ensuring that primary prevention strategies and programs are implemented throughout the academic year.
- Ongoing Education: The college will also provide annual education and training for students, faculty, and staff on the harm of hazing and the importance of creating an inclusive and respectful community.

Hazing Conclusion

KCKCC is dedicated to creating a community where all members are treated with dignity and respect. Hazing violates these principles and is strictly prohibited. KCKCC will continue to work actively to prevent hazing, hold individuals accountable for their actions, and ensure that our community remains a safe and welcoming place for all students and employees.

Dating Violence, Domestic Violence, Sexual Assault, and Stalking

KCKCC Policies

KCKCC has three polices that address dating violence, domestic violence, sexual assault and stalking:

The KCKCC Title IX Policy (KCKCC Board Policy 3.03)

Policy Statement

> "Title IX of the Education Amendments of 1972 includes three categories of misconduct on the basis of sex: quid pro quo harassment by an employee; severe, pervasive, and objectively offensive unwelcome conduct of a sexual nature; and Sexual Assault, Dating Violence, Domestic Violence, or Stalking as defined under the Clery Act and VAWA. Any person alleged to be in violation of this policy is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process."

Kansas City Kansas Community College Discrimination and Harassment Policy (KCKCC Board Policy 5.00)

Policy Statement

> "Kansas City Kansas Community College (KCKCC) is committed to promoting and sustaining a campus community which identifies and values the individuality of every community member and is dedicated to maintaining a positive environment where diversity and inclusion is encouraged and fostered throughout the College.
>
> KCKCC prohibits discrimination against any member of the College community on the basis of race, color, religion, national origin, age, disability, sex/gender (to include orientation, identity or expression), military/veteran status or any other characteristic protected by law and/or KCKCC policies. KCKCC will conduct its programs, services and activities consistent with applicable federal, state and local laws. KCKCC is committed to maintaining an educational and work environment free of discrimination and harassment, including sexual harassment, for faculty, staff and students.
>
> KCKCC will not tolerate harassment of its faculty, staff or students by persons conducting business with or visiting the College even though such persons are not directly affiliated with KCKCC. Harassment and discrimination is unacceptable conduct and will not be tolerated.

This policy applies to harassment and discrimination complaints by employees and persons who were employees at the time of the alleged harassment. Persons found to be in violation of this policy will be subject to the full range of discipline up to and including termination of employment. Third-party vendors, suppliers, and visitors may be removed from college programs and/or prevented from returning to campus."

Student Code of Conduct Policy (KCKCC Board Policy 3.00)

Policy statement

"Sexual assault and sexual harassment as defined in applicable federal, state or municipal law, or sexual harassment in violation of College's Discrimination and Harassment and Policy and Procedures and/or the Title IX/Sexual Misconduct Procedures and Guidelines will not be tolerated. Sexual assault includes, but is not limited to, rape, acquaintance rape, fondling, incest, statutory rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery or threat of sexual assault. Sexual harassment consists of unwelcome sexual advances, such as requests for sexual favors; sexually motivated physical conduct; or other verbal, physical, conduct or communication of a sexual nature. Sexual Harassment may also include stalking. Stalking is engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or suffer substantial emotional distress. A sexual offense is "any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent." (National Incident- Based Reporting System User Manual, FBI). Consent can never be obtained through force, violence, coercion, pressure or intimidation. It can be withdrawn at any time."

Prevention

KCKCC provides programs and initiatives to end dating violence, domestic violence, sexual assault, and stalking. All students and employees are required to complete Title IX training every academic year. All students and employees receive Title IX training in their respective orientations, (Blue Class for students and New Employee Orientation for employees). Additional training in Healthy Relationships, Assertive Communications, Enthusiastic Consent and Bystander Intervention is also provided in the Blue classes, in the Leadership Series and other groups upon request, such as the men's baseball team. These additional trainings are focused on skill building.

The Counseling and Advocacy Center also provides other supplemental programming, such as "Me Too: The Momentum & Benefits", the "It Stops Here" showcase, "It Takes a

Campus to End Gender Violence", and "Using Tribal Beliefs to Address Relationship Violence".

KCKCC provides policy, procedures and resources on the website, an annual nondiscrimination statement, pamphlets and Title IX posters around the college. The Counseling and Advocacy Center also publishes articles that address dating violence, domestic violence, sexual assault and stalking in their monthly publication The Inclusive Voice.

Safe and Positive Options for Bystander Intervention

Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

Bystander intervention could include:

- Interrupt the behavior
- Support the person being targeted
- Refer one or both parties to the Counseling and Advocacy Center
- Seek assistance or call the KCKCC Police Department

Consequently, if a bystander observes this type of behavior, he or she should assess the situation and respond appropriately and safely.

Response Procedures

Reporting is the First Step

Gender-based misconduct can be reported to any member of the campus community because all college employees receive training on proper reporting procedures and provide accurate information to the Title IX Coordinator or Deputy Coordinator. However, it is the complainant's choice whether to make a formal grievance in writing.

Any person alleged to be in violation of this policy is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Confidential Reporting

- Student Conduct Form
- Counseling and Advocacy Center
  Jewell, Room 3371
- Student Health Services
  Jewell, Room 3363

Supportive and Interim Measures

Whether or not the complainant makes a formal grievance, the college provides supportive measures that include, but are not limited to, changes to housing or work circumstances, academic accommodations, counseling, health and mental health services, disability services.

Interim measures of emergency removal or administrative leave are only administered if a person poses a threat to another person on campus as deemed by the Threat Assessment Team.

Although the college cannot protect individuals at off-campus locations, the college makes sure the involved parties are aware of legal options by working with local law enforcement.

Due Process

All parties are entitled to due process, which includes:

- Concurrent notifications throughout process
- Advisor of choice
- Mutually agreed mediation (not available if respondent is an employee)
- Investigation by trained investigators
- Review and copies of relevant evidence
- Live hearing, represented by advisor
- Appeal of outcome

Outcome

Based on the information gathered in the initial Title IX assessment, and/or full investigation, and mediation or live hearing, the college takes appropriate measures designed to end the misconduct, prevent its recurrence and address its effects. Both parties must be notified in writing of the outcome of the complaint.

Victims of Sexual Assault, Dating Violence, Domestic Violence and Stalking

Victims of sexual assault, dating violence, domestic violence and stalking should contact the KCKCC Police Department immediately by calling 913-288-7636 and/or the Kansas City

Kansas Police Department at 913-596-3000 and/or the Title IX coordinator by calling 913-288-7269. If the victim wishes to report confidentially, he or she may contact a counselor in the Counseling and Advocacy Center at 913-288-7160.

If a person has been a victim of sexual assault, he or she should not wash or change clothes as valuable evidence could be lost. Hair fibers, semen, saliva, and anything containing DNA can be helpful in solving the case. A sexual assault victim should report the incident to the KCKCC Police Department, Title IX coordinator, and/or Kansas City Kansas Police Department, even if the victim does not want to press charges. This will allow the investigators to gather important evidence should the victim later change his/her mind.

The victim may choose to pursue the investigation through the criminal justice system and/or the college judicial system. When a sexual assault victim contacts the local police department, a sex crimes detective may be contacted to assist in the investigation. When a student or employee reports to the institution that he or she has been the victim of dating violence, domestic violence, sexual assault or stalking, the institution will attempt to maintain the privacy of the victim and other parties by only sharing information with only those who need to know. All CSAs, including confidential reporters in the Counseling and Advocacy Center, are required to report incidents of sexual assault, dating violence, domestic violence, and stalking to KCKCC Police Department for the Clery statistical reporting purposes. However, no personal identifying information is provided, preserving the confidential nature of such reports.

A KCKCC representative will guide the victim through the available options and support measures, regardless of whether the victim chooses to report the crime to the KCKCC Police Department or other law enforcement. The institution will provide written notification of these options, including available protective measures, how to request changes academic, living, transportation and working situations; and resources available in counseling, health, mental health, victim advocacy, legal assistance, visa, immigration assistance, student financial aid and other services.

Allegations of sexual assault, dating violence, domestic violence and stalking involving employees are investigated and adjudicated through the Human Resources office. Allegations involving students are mediated or investigated through the Title IX office and adjudicated by the Dean of Student Services or his/her surrogate. The proceedings are fair, prompt, impartial and consistent with the institution's policies and those regulated by Title IX. The respondent is assumed "not responsible" pending an investigation and outcome. The accuser and accused are notified

in writing simultaneously of allegations, outcomes and reasons for the outcome and appeal processes. They have access to the investigators, who are certified in investigative practices and assigned in a manner to prevent conflict of interest or bias, and to relevant evidence, including the draft of the investigative report prior to adjudication. The accused and accuser also have the same opportunity to have an advisor, any individual who provides support, guidance, or advice, present at any related meeting or proceeding. The institution uses "preponderance of evidence" as the standard of evidence. Responsible parties could be subject to disciplinary actions ranging from counseling to dismissal from the college.

Higher Education Opportunity Act (HEOA) Victim Notification

KCKCC will, upon written request, disclose to the alleged victim of a crime of violence or a non- forcible sex offense the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Sex Offender Registry

Under The Adam Walsh Child Protection and Safety Act of 2006, persons required to register under a state offender registration program must notify the state concerning each post-secondary school at which the offender works or is a student. The State of Kansas has developed a statewide registry list. The information on the web site refers only to persons who have been convicted of, found guilty of or plead guilty to committing or attempting to commit sexual offenses and may not reflect the entire criminal history of a particular individual. Offenders required to register for crimes of kidnapping, felonious restraint or child abuse may not be listed.

State of Kansas Sex Offender List
https://www.kbi.ks.gov/registeredoffender

The Clery Act further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

Annual Crime Statistics

KCKCC prepares this report to comply with the Clery Act. To ensure the required statistics are compiled correctly, the Chief of Police solicits the required crime statistics from agencies with jurisdictional authority over any KCKCC property, including the Kansas City Kansas Police Department, Wyandotte County Sheriff's Department, Leavenworth Police Department, Leavenworth County Sheriff's Office, and the Kansas Highway Patrol. All the statistics are reviewed to ensure none of them have been "double reported". Crime statistics are also gathered from KCKCC CSAs.

Definitions for Use in Classifying Hate Crime Reports

A hate crime is considered a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Bias is a preformed negative opinion or attitude toward a group of people based on their race, religion, disability, sexual orientation, ethnicity, gender or gender identity/national origin. Although there are many possible categories of bias, under the Clery Act, only the following eight categories are reported:

Race - A preformed negative opinion or attitude toward a group of persons who possess common physical characteristics (e.g., color of skin, eyes, and/or hair, facial features, etc.) genetically transmitted by descent and heredity, which distinguish them as a distinct division of humankind (e.g., Asians, blacks, whites).

Gender - A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.

Religion - A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being (e.g., Catholics, Jews, Protestants, atheists).

Sexual orientation - A pre-formed negative opinion or attitude toward a person or group of people based on their actual or perceived sexual orientation.

Sexual orientation is the term for a person's physical, romantic, and/or emotional attraction to members of the same and/or opposite sex (e.g., lesbian, gay, bisexual, or heterosexual).

Ethnicity - A preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term

"race" in that "race" refers to grouping based mostly upon biological criteria, while "ethnicity" also encompasses additional cultural factors.

National Origin - A pre-formed negative opinion or attitude toward a group of people based on actual or perceived country of birth. This bias may be against people that have a name or accent associated with a national origin group, participate in certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

Gender Identity - A pre-formed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., male or female, bias against transgender or gender non-conforming individuals.

Disability - A pre-formed negative opinion or attitude toward a group of people based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age or illness.

In addition to the above listed definitions for use in classifying crime reports, the following crimes are also criminal offense categories regarding hate crimes:

Larceny-Theft - The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. (Note: Constructive possession is defined by Black's Law Dictionary, 6th ed. as "where one does not have physical custody or possession but is in a position to exercise dominion or control over a thing.")

Pocket-picking - The theft of articles from another person's physical possession by stealth where the victim usually does not become immediately aware of the theft.

Purse-snatching - The grabbing or snatching of a purse, handbag, etc., from the physical possession of another person.

Shoplifting - The theft, by someone other than an employee of the victim, of goods or merchandise exposed for sale.

Simple Assault - An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

Intimidation - To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to an actual physical attack.

Destruction/Damage/Vandalism of Property (Except "Arson"): To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Murder / Non-Negligent Homicide

In the early morning hours of August 26, 2025, Kansas City, Kansas, police officers pursued a suspect following a violent crime that occurred miles from any KCKCC campus. As the pursuit traveled along State Avenue, Officer Hunter Simoncic was deploying stop sticks near the college entrance at Campus Boulevard. The suspect intentionally swerved his vehicle, striking and killing Officer Simoncic before continuing away from campus.

Officer Simoncic's death was a tragic loss, and KCKCC joins the community in honoring his service and remembering his family, friends, and fellow officers. Although the fatal incident occurred within KCKCC's Clery reporting geography, it arose from a police pursuit originating elsewhere; the college's location was incidental to the pursuit. These circumstances provide important context for understanding the incident without diminishing its seriousness or the loss of Officer Simoncic.

KCKCC Police Officer Cory Havner was among the first to arrive and render aid. KCKCC remains committed to protecting the campus community and responding promptly to emergencies.

In 2026, Campus Boulevard on KCKCC's main campus was renamed "Officer Hunter Simoncic Boulevard" in his honor.

Crime Log

The KCKCC Police Department maintains a daily crime log that records, by the date the incident was reported, all crimes and other serious incidents that occur on or in college owned or controlled property or buildings, on public property, or within the patrol jurisdiction of the KCKCC Police Department. The Daily Crime Log is open for public inspection and available in the KCKCC Police Department offices located in the Science Building (room 3462), the Technical Education Center, and the Pioneer Career Center.

KCKCC's process for maintaining and posting the Daily Crime Log complies with the Jeanne Clery Disclosure and Campus Crime Statistics Act (as amended in October 1998).

The Daily Crime Log includes:

- The nature, date, time, and general location of each crime reported to us; and
- The disposition of the complaint, if the disposition is known at the time the log is created.

The KCKCC Police Department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident. Crime report information may be excluded from the log under these circumstances:

- If posting the information jeopardizes an on-going investigation.
- If posting the information would cause a suspect to flee or evade detection.
- If posting the information could result in the destruction of evidence relating to a crime.

Once these factors are no longer present, and/or there is no longer a chance that posting the information would adversely affect an ongoing investigation, information will be posted.

The most recent 60 days of the crime log has been made available. Individuals wishing to view Daily Crime Logs older than the most recent 60 days, please contact the KCKCC Police Department at 913-288-7636.

By October 1st of each year, notice is emailed to all faculty, staff, and students that provide a direct link to the annual security report on the college website, https://www.kckcc.edu/files/docs/safety/annual-security-fire-safety-report.pdf. Hard copies of the report may be obtained at the KCKCC Police Department offices located in the Science Building at the 7250 State Avenue location, the Technical Education Center, the Pioneer Career Center, or by calling 913-288-7636. A notice is posted on the online application page for prospective employees through the Human Resource office. A notice is also placed in all the application packets for prospective students. Applicants

that apply outside of the online application process (i.e., faculty) are provided with this information if they are brought to the college for an interview.

Annual Fire Safety Report

Kansas City Kansas Community College
2026

Student Housing

Centennial Hall, opened July 1, 2022, is KCKCC's sole college student housing facility. Centennial Hall holds up to 258 students. Each room has battery-operated smoke detectors, and the building has a centralized fire system with speakers, strobes, and sprinklers.

Fire Evacuation Procedures for Student Housing

In the event of a fire in student housing, residents should quickly shut the door to their room and proceed to the nearest exit where they can evacuate the building safely. Do not use the elevator. Once outside the building please call 911 and notify the fire department of the emergency. If possible, contact KCKCC Police at 913-288-7636. All residents residing in the student housing are to meet in the designated evacuation sites - the Student Housing parking lot or the Kansas City Kansas Police Department Police Academy parking lot for those that evacuate using the east, west, and courtyard exits.

Fire Drills

The KCKCC Police Department and the Student Housing staff work together to conduct at least one fire drill in Student Housing during each calendar year. During the drills, alarms are sounded, and staff members make a check of every apartment to verify all students have exited the buildings. All students are instructed to congregate at the designated evacuations sites, just as in a real fire event. Students not leaving the buildings during a fire drill are referred to Student Services for judicial sanctions.

Policies on Smoking, Open Flames, and Portable Appliances

All college locations and property are tobacco free in any form or use. Residents and their guests may not smoke inside or outside any college residence or college buildings. No decorations that produce an open flame or smoke are allowed in any college residences. This includes candles, incense, and open flame decorations. A reasonable number of electrical appliances may be used if they are electrically safe and don't have exposed wires or heating elements.

Fire Safety Education

Fire extinguishers are located in each kitchen area and in building hallways in student housing. These may only be used in case of a fire. Fire safety training is provided every year to Resident Assistants (RA) in August offered by the Director of Student Housing. Additional fire safety training is available upon request by contacting the Fire Science Coordinator.

Improvements

In the fall of 2022, KCKCC opened a new on campus student housing building, Centennial Hall. This new building has 258 beds, sprinklers, card access to every room, and a new fire alarm system. No improvements are currently planned. KCKCC is always monitoring the needs of the student housing facility and will make plans for updates as the need arises.

Fire Log

The daily fire log is done in conjunction with the KCKCC daily crime log. Individuals can also obtain a hard copy of the log by stopping by the KCKCC Police Department. There is no charge for the document.

Fire Statistics

The Higher Education Opportunity Act, enacted on August 14, 2008, requires institutions that maintain "On-Campus" student housing facilities to publish an annual fire safety report that contains information about college fire safety practices and standards of the institution.

Fires should be reported to 911 or the KCKCC Police Department at 913-288-7636.
